

Hexagon's Infrastructure & Geospatial Business Area combines measurement, positioning, and mapping technologies to help geodata-dependent industries capture, measure, and visualise the physical world – turning data into actionable insights for better decisions and greater efficiency.

For our Infrastructure & Geospatial business area, we are looking for an experienced, commercially minded finance leader to join us as Vice President Group Controlling.

Reporting directly to the CFO, you will play a key role in driving financial performance and further developing our international controlling organisation.

Vice President Group Controlling (f/m/d)

Heerbrugg **100%**

This appeals to you

- Act as a strategic and commercial sparring partner to the CFO and senior management, supporting informed business decisions.
- Lead financial performance management, budgeting, forecasting and mid-term financial planning across the organisation.
- Challenge business performance, identify opportunities and risks, and translate financial insights into actionable recommendations.
- Continuously improve controlling processes, reporting structures and financial performance management frameworks.
- Drive the digitalisation and optimisation of finance

This is you

- Extensive leadership experience in Group, Regional or Divisional Controlling, FP&A or Finance Business Partnering within an international organisation.
- Strong business acumen, with a solid understanding of commercial and operational performance drivers.
- Ideally, experience in an international technology company with hardware, software and service business models.
- Proven experience working in complex international matrix organisations, preferably combining regional and divisional structures.
- Deep expertise in finance processes, ERP/EPM systems, reporting and finance transformation.

systems, particularly ERP, EPM and Business Intelligence solutions.

- Support the development and optimisation of efficient finance and shared service structures.
- Lead and develop your team while strengthening collaboration across the international controlling organisation.
- Contribute to strategic projects and transformation initiatives, ensuring effective implementation and measurable business impact.
- Experience in establishing, centralising or transforming Finance Shared Service Centres / Global Business Services is a strong advantage.
- Solid understanding of IFRS, Group Reporting and international financial structures.
- A university degree in Finance, Accounting, Business Administration or a related field.
- Fluency in German and English and willing to work on-site at our Heerbrugg location at least 2–3 days per week.

What Sets You Apart

You combine financial expertise with a strong commercial mindset and a hands-on approach.

As a confident and influential leader, you are comfortable challenging assumptions, engaging with senior stakeholders and navigating different perspectives to drive decisions. You think strategically, act pragmatically and translate complex financial information into clear recommendations and measurable business outcomes.

You take ownership, set priorities and drive change with determination, sound judgement and a strong focus on execution.

We offer you

- Flexible annual working hours based on a 40-hour week
- 25–30 days of vacation, depending on age
- Bonus system and extra-mandatory pension fund contributions
- Opportunities for personal and professional development
- Relocation support
- Employee discounts and various company events
- International working environment with collaboration across teams and countries
