

Sovereignty	★	★	★	★	★
Reliability	★	★	★	★	★
Passivity	★	★	★	★	★

Committed and with passion for precision we create digital reality solutions combining sensor, software, and autonomous technologies to empower a sustainable future.

As a team player, your vigor is contagious, and you engage your colleagues. No matter the task, you go ahead with an open mind. If loyalty as well as solidarity and reliability are a matter of course for you, join our team and make your visions come true!

Scrum Master / Team Developer (w/m/d)

Heerbrugg 

This appeals to you

- Take on a central role in building new teams and support the further development of existing teams
- Contribute to the constant improvement of our development process by reflecting on agile procedures
- Know and use the agile methods and practices (e.g. timeboxing, dot voting, prioritization, visual management, lean coffee, word café, ROTI and ball point game)
- Support the agile teams in the organization and take over moderation of Scrum ceremonies (e.g. Product Backlog Refinement, Sprint Planning, Sprint Review, Sprint Retrospective and Daily Stand-Ups)
- Coach your Scrum teams and empower them in self-management as well as personal responsibility and convey the agile methodology
- Take an active part in existing agile events such as CoP, Brown Bag Session, Agility Coffee or Agility Forum

This is you

About Us

Hexagon is a leader in digital reality solutions and has more than 21,000 employees across 50 countries. Although we are a large, global team, we value individual development. Our employees can advance their talents and careers while contributing to the business' success, growing with our company.

You will join a strong, experienced, inspiring and motivated team of experts driving the future of our brand. Within our highly innovative and diverse organisation, you will apply and develop your skill set in response to new challenges. A flexible work environment will help you pursue your interests and benefit from the ideal combination of employment, living and leisure.

Our locations are surrounded by the Swiss Alps, with many small and large lakes waiting to be explored nearby. You will work in one of the best areas in the world for a variety of outdoor and cultural activities, further enhancing quality of life.
