

Committed and with passion for precision we create digital reality solutions combining sensor, software, and autonomous technologies to empower a sustainable future.

Are you ready to take end-to-end ownership of financial performance in a dynamic international environment? As **Finance Controller**, you will play a key role in shaping financial strategy, driving commercial success, and ensuring financial excellence across our country/region. You will act as a trusted partner to senior leadership and ensure strong financial governance, insightful analytics, and business-driven decision support.

Finance Controller (f/m/d)

UK  100%

This appeals to you

- You shape and execute the financial strategy of the country/region.
- You lead budgeting, forecasting, scenario planning and financial performance management.
- You deliver accurate month-end closing, management reporting and variance analysis.
- You provide actionable financial insights that influence commercial decisions.
- You drive profitability through pricing, margin analysis and cost optimization.
- You evaluate business cases, investments, and strategic opportunities.
- You ensure compliance with IFRS, tax regulations, internal controls and audit requirements.
- You oversee project accounting, revenue recognition (incl. IFRS 15) and WIP monitoring.
- You support digitalisation and improvement of financial

This is you

- You hold a degree in Finance, Accounting, Business Administration or similar; a professional qualification is a plus.
- You bring substantial experience in controlling, FP&A or commercial finance in an international environment.
- You are fluent in English and confident working with ERP systems (SAP knowledge is an advantage).
- You have strong expertise in budgeting, forecasting, financial modelling and IFRS reporting.
- You combine analytical strength with business acumen and a proactive, solution-oriented mindset.
- You communicate clearly and can influence senior stakeholders with compelling financial insights.
- You work structured, hands-on and with high ownership, accuracy and compliance awareness.
- You enjoy leading teams and collaborating in a cross-functional, matrix-driven organisation.

systems and processes.

- You lead and develop the Finance team, fostering a culture of accountability and integrity.
